## **Novia Global expands team with the appointment of Darren Moth**

Novia Global today announces the expansion of the Sales and Support Team with the addition of Darren Moth as Business Development Manager. Darren joins the team from Moneywise where he worked as a Support Team Leader.

Darren has worked within Financial Services for over eleven years with past roles including Wealth Management Co-Ordinator, Paraplanner, and Practice Manager across a number of Adviser Firms within the South West of England. Currently studying towards achieving Chartered Financial Planner status Darren holds a Diploma in Financial Planning and Certificate in Discretionary Investment Management.

Chris Skelhorn, head of distribution at Novia Global said: "We are very pleased to have Darren on board. His knowledge of platforms and experience as an 'end user' will be invaluable in supporting our mantra of providing outstanding customer service to all our supporting adviser firms and users. Darren has an excellent understanding of the financial services market place and we are delighted to be able to welcome him to the expanding Novia Global team."

Darren Moth, Business Development Manager said: "I am thrilled to be joining the Novia Global team. Having known Chris for a number of years and worked closely with him as a user of the Novia Financial Platform, I was enthused by his knowledge of offshore markets and passion for what lies ahead for Novia Global."

Darren Moth continued: "I believe the Novia Global service is ideally placed to support advisers and trustees in the international market, especially as they navigate the changing regulatory landscape. In addition, I am excited by the opportunity to 'get in the door' early with what is a ground breaking business. My hope is that my experience of working within IFA practices will enable me to support firms with the practicalities of completing the required due diligence and suitability, incorporating Novia Global into their service proposition and placing assets onto the platform."

Novia Global is currently recruiting for a number of roles.

**Notes to editors**

Novia Global Limited launched in 2015 to provide a comprehensive wealth management service or 'full wrap platform' for investment advisers and their clients in the international market. Novia Global provides a transparent pricing structure as well as access to a wide range of investment products each with their own Cash Facility, an extensive suite of portfolio management tools, and access to an extensive range of investment classes including shares, bonds, traditional authorised funds, ETFs and alternative investments.

The core operating system is provided by Australian based GBST who have been developing software solutions for fund administration and financial services since 1996, and for wrap solutions since 1999, amassing \$186bn (AU) in assets under management on their systems. The comprehensive suite of portfolio management tools is powered by Financial Express.

The Novia team, based in Bath, is led by Bill Vasileff ex Sales and Marketing director and joint cofounder of Selestia. Novia as an independent proposition has substantial financial backing from a combination of private individuals and corporate organisations. The board is chaired by John Beaumont, who has held a number of non-executive roles in major public organisations and several technology start-ups and Donald MacKinnon as non-executive, ex sales director of Matrix Securities.
