**Beacon Global Group selects Novia
Global for International SIPP**

11th Feb 2020 Novia Global today announces that following a rigorous due diligence process, Beacon Global Group, Inc. has selected Novia Global to provide a white label version of the Novia Global International Self Invested Personal Pension (SIPP) for its US and non-US advisers.

Formed in 2010, Beacon Global Group was set up to help financial services companies around the world better serve American expatriates with financial assistance while living and working abroad. Disappointed with the inability to find trusted advisers to help them with their finances; and the fact that fewer financial institutions were willing to deal with the Americans after the enactment of the Foreign Account Tax Compliance Act (FATCA), the founders of Beacon Global Group set about building the business internationally to support the needs of Americans moving around the world by providing a comprehensive service wherever they go.

Comprising over 50 adviser firms, the Novia Global International SIPP will be Beacon Global Advisor Network, LLC's (BGAN) recommended retirement solution for both US and non-US advisers that require this product.

The Novia Global International SIPP provides:

- Competitive annual cost
- A streamlined application process leading to faster transfer times
- On demand client portal access utilising established market platform technology
- Simplified investment process via online platform trading
- 24/7 adviser access to reports and valuation
- Low cost multi-currency

Chris Skelhorn, Novia Global International Sales Manager said: "This is a very exciting initiative and we are delighted to have been selected as the product provider of choice for international SIPP business."

Joby Gruber, Group President, Beacon Global Group said "Beacon Global Group remains uniquely positioned at the center of a series of global relationships to provide cross border solutions. The Novia Global International SIPP dramatically extends our value proposition and we look forward to growing this relationship with them."
